Check In Procedures
Generally, check in begins at 4pm, with dinner as the first meal. Please contact Conference Housing Services if your arrival time is varied. We reserve the right to request late check-in or earlier check-out to accommodate back-to-back conferences.

Conference “Group” check-ins can be arranged in advance for a specific period of time not to exceed four hours. The cost of extended check in/checkout hours are subject to additional fees. (See optional services on page 6.)

Check in services provided by the Conference Housing staff include housing registration, distribution of room keys, dining cards and information regarding lodging, dining services, and assistance directing guests to their accommodations.

Check Out Procedures
A checkout time of noon has been established for all guests in order to allow time to prepare for new conference arrivals. A late fee will be assessed for guests failing to check out by the designated checkout time. Guests are asked to turn off air conditioning & lights, lock their room doors, and return room keys/key card to the conference housing desk before checking out. Report any damages or lost keys before or at time of check out. Arrangements must be made in advance if luggage storage will be needed; limited space is available. There is no charge for this service, as space is not guaranteed. Guests departing before 7:00am should make arrangements with the desk staff the previous day.

Conferences with Youth Attendees
Children 4 to 8 years of age will be charged full price for accommodations and half price of the dining rate. There is no charge for children age 3 and under. Conferences with youth attendees require the group to provide residential counselors (at least 18 years old) at a minimum ratio of one counselor for every ten participants.

Dining Cards
Each guest will be issued a dining card for all dining room meals included in the conference. The card must be presented at each meal to gain entrance to the dining room. Dining cards must be returned upon checkout or at the dining facility during the last meal of your conference package (Note: Some large groups will be provided wristbands or shoe tags that do not need to be returned). Lost meal cards replaced for a fee at the dining hall in your area.

Dining Hours
In order to accommodate all guests comfortably, groups may be assigned to specific meal times within the open hours. The base meal hours will be as follows (subject to change due to Conference demands):

Breakfast: 6:45am-8:30am  Lunch: 11:30am-1:15pm  Dinner: 4:45pm-6:30pm.

For an additional charge, dining hours may be extended depending upon the size of the group. To avoid waiting in lines at meals, we suggest programs schedule to allow participants to arrive during the latter portion of the serving period. Meals may be served at a dining facility in a different residence hall complex.

Lunch take-out meals are available at no additional charge, for individuals who do not wish to return to the dining room for lunch. Groups of 5 or more must make arrangements in advance and may be subject to additional pack out fees. Rates have been developed based upon all meals being provided by University Dining Services.

Dining Services
Dining Commons serve three meals each day including weekends and holidays. Meals are professionally prepared and served platform style in a residence hall dining room. The dining program offers a wide variety of hot and cold entrees, vegetarian alternatives, extensive salad and sandwich bars, soups, fresh fruits, desserts, and beverages. Guests are welcome to return for unlimited portions.

Guest Service Desks
A Guest Service desk is located in each of the residential hall complexes depending upon the complex and conference schedules. Generally, the desks are open daily, 7am to 11pm. On-call staff is available from 11pm to 7am at our main desk. Desk hours are subject to change and will be posted in the area. In addition to providing check in and checkout services, the desk staff will provide lockout assistance, fresh linens (linen exchange), campus maps, and city/campus directory information. We also have a limited supply of irons and alarm clocks that can be checked out during your stay.
